YMP's Group Music Classes are offered by skill level, instrument, and age. **Roots** level is for students who are just beginning or who have a little bit of experience on their instrument but are still building the core skill set. **Rockers** level is for students who have more experience and can demonstrate their progress in mastering the core skill set. Our most experienced students are in **Rollers** level and have mastered the core skill set. Rollers are ready to test their skills and take the next steps to advancing their chops. Each level features classes grouped by age: 6-7 years, 8-12 years, 13-18 years and Adult. **Seedlings** are for our students aged 1-5 years.
