MUSIC BUILDS CONFIDENCE

Kids flourish at Youth Music Project. Through the study and practice of music, children gain confidence, acquire new skills, learn to take risks, and discover the power of performance.

MUSIC SUPPORTS ACADEMIC SUCCESS

Almost every aspect of learning – verbal, spatial, mathematical – is enriched through the study of music. Our brains love music!

MUSIC FACILITATES COLLABORATION

When students study music in a group, ensemble, or band, they strengthen their ability to relate to one another, to work as a team, and to appreciate the value and benefits that come from collaboration. Music is a team sport.

Youth Music Project is a place where young people come to cultivate the passion and perseverance that helps them successfully transition into adulthood and become positive and creative community members. 1,561 unduplicated students enrolled in our programs in 2016.
