

PRACTICE-A-THON

FOR PARENTS

From October 8 through October 20, we are inviting Youth Music Project Students to keep track of their practice time and to ask their parents, family, and friends to sponsor them by making a donation. This is your student’s chance to support Youth Music Project’s music programs, their music teachers, and the tuition-assistance program.

HOW IT WORKS:

- Have your student ask parents, relatives, parents’ coworkers, neighbors, or friends to sponsor them.
- Track practice time from October 8 through October 20.
- Collect cash or checks from sponsors, or have them go online to make their donation.
- Turn in practice sheets and donation envelopes from October 22 through October 27
- Donations may be collected through October 27

GOAL:

Each student can help us make our goal by setting a personal goal of \$100 or more – if they practice for 200 minutes, they need just 5 pledges at 10 cents per minute!

Youth Music Project provides music education to more than 1,550 students each year at just a fraction of the actual cost of the programs – and 40 percent of student enrollments receive tuition-free education through the tuition assistance program.

ALL DONATIONS ARE 100% TAX-DEDUCTIBLE

Check: Make checks out to “Youth Music Project.” Put Student’s name and “Practice-A-Thon” in the memo.

Cash: People can donate with cash, but at the end we ask that parents write a check for all combined cash.
