Hello World

Chorus:

**Hello World! My old friend
It's another day, I'm glad to see you again
The sun is up, I'm ready to play
Hello World! So what do you say?**

There are bikes to ride, frogs to find
Forts to build, trees to climb
Dolls to dress, beads to string
Teams to choose, and songs to sing

Chorus

There are games to play, ducks to feed
Berries to pick, books to read
Fish to catch, friends to meet
Jokes to tell, cookies to eat

Chorus

Instrumental chorus

Double Chorus

Hello World! So what do you say?

Going on a Picnic

Going on a picnic, leaving right away.

If it doesn't rain, we'll stay all day.

One person: Did you bring the apples?

Everyone: Yes, we brought the apples!

One: Did you bring the cookies?

(or another food choice)

All: Yes, we brought the cookies!

One: Did you bring the carrots?

(or another food choice)

All: Yes, we brought the carrots!

Ready for a picnic, here we go!

(repeat as long as you want, with other food choices.)

Alternative:

Give each child a turn to ask, "Did you bring the (food)?"

Say Hi

Did you know some folks are shy
When it comes to sayin' hi!
They feel funny deep inside and they turn their heads away
They think no one wants to meet 'em
And nobody really needs 'em
So when you go up to greet 'em they turn their heads away

Chorus:

You've gotta stand up tall
Gather up a smile
Take a big breath
Look 'em in the eye and say "Hi!"

So take it from your dog or cat
They've got their hellos down pat
Meow, meow, meow, woof, woof, yap, yap, they don't turn
their heads away

(whistling)

So when someone is sayin' hi!
And its your turn for feeling shy
You might want to run and hide but don't turn your
head away

Chorus

So when you're walking down the street
Say hello to those you meet
Don't be looking down at your feet
You've got to look 'em in the eye and say "Hi!"

The Acorn Song

I'm a little acorn round
Laying on the cold, cold ground.
Everybody steps on me.
That is why I'm cracked you see.
I'm a nut (cluck cluck with your tongue)
I'm a nut (cluck cluck)
I'm a nut (cluck cluck)
I'm a nut (cluck cluck)

Hooray for the World

Chorus:

Hooray for the world I'm glad to be on it
Hooray for the world I'm glad to be on it
Hooray for the world it's a special place
We've got Mother Nature and the human race

The world's got buffalo, the world's got bees
The world's got jelly fish swimmin' in the seas
We've got beavers and bears, bats and bugs
Miniature poodles and slimy old slugs... Oh

Chorus

The world's got salami, the world's got cheese
We got maple syrup and mulberries
We got egg foo young, bagels and lox
Corn on the cob and raisins in a box... Oh

Chorus

We got moms and dads, uncles and aunts
Brothers, sisters, grandmas and gramps
We got neighbors next door, kids down the street
Everywhere we go we've got new friends to
meet... Oh

Chorus

Dance Any Way You Want To

(Someone chooses a dance move,
and everyone copies it.)

Dance any way you want to.

Dance any way you please.

Dance any way you want to.

But stop when I say freeze.

FREEZE! (Everyone freezes like statues.)

(Point to another child to choose the next move,
and repeat.)

Alternative

(After the first dance, have someone choose an
instrument for everyone to play.)

(Shakers) Shake any way you want to...

(Sticks) Tap any way you want to...

(Bells) Ring/Jingle any way you want to...

(Drums) Drum any way you want to...

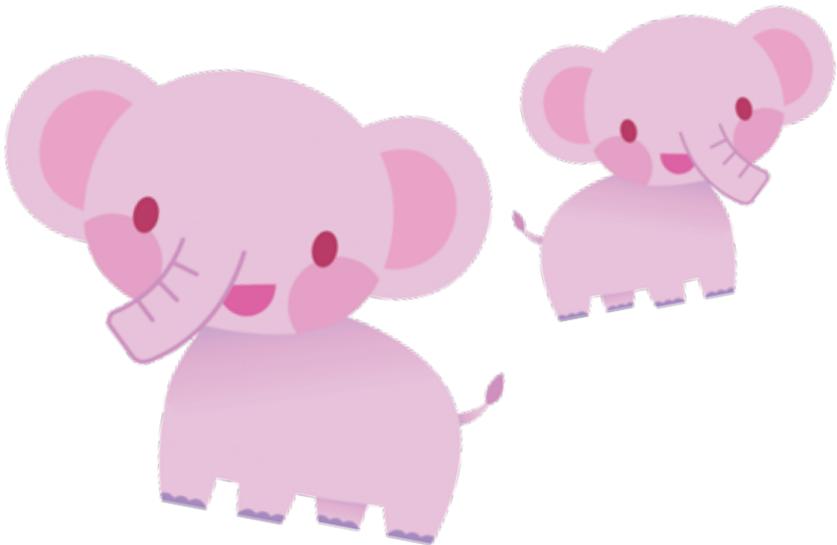

Willaby Wallaby Woo

Willaby Wallaby Woo
An elephant sat on you.
Willaby Wallaby Wee
An elephant sat on me.

(Instead of 'woo', say each child's name with 'w' in place of the first letter)

Willaby Wallaby Wyler
An elephant sat on Tyler.
Willaby Wallaby Wannah
An elephant sat on Hannah.

(continue until all children have been included)

Down by the Sea

Down by the sea my family and me
We love to jump in the waves... tshhhhh tshhhhh
Down by the sea we all agree
Is the very best place in the world to be
We get to jump in the waves... tshhhhh tshhhhh
Isn't it wonderful, isn't it grand
Just wiggin' your toes in the warm hot sand
We love to ride on the raft... yahoo
Lay in the sun... hot hot
Look for shells... ooo ah
Feed the gulls... akh akh
Fall into bed... ahhhhhhhh

The Elephant and the Spider's Web

(everyone walks in a circle, holding hands, with one person in the middle)

One elephant went out to play
Out on a spider's web one day.
He had such enormous fun,
He called for another elephant to come.
(middle person chooses a friend to join them)

Two elephants went out to play...

(repeat until the elephants are too big, and the spider web too small to hold everyone.)

Shake Your Brains

You're headin' outside with your friends to play
When your Mamma says, "Take your little
brother today"

"But the big kids are fast, and the little kids are slow
What game can we play together?"

I don't know"

You gotta shake your brains, figure it out

There's no need to scream or shout

You gotta work that thing you've got upstairs

You gotta activate what's under your hair

You gotta shake your brains

You gotta shake your brains

You gotta shbbbbbbbbbb your brains all day long

You wanna pretend that you're a star

Singing on a stage and playin' a guitar

So you don't have an instrument, its all in
your head

But there's wood and there's glue and there's
string in the shed

So shake your brains, figure it out

There's no need to scream or shout

You gotta work that thing you've got upstairs

You gotta activate what's under your hair

You gotta shake your brains

You gotta shake your brains

You gotta shbbbbbbbbbb your brains all day long

Shake it!

Now if it costs a dollar to go to the zoo

And you've got six dollars but there's seven
of you

There's gotta be a way to earn the rest of
the dough

You better think fast if you're all gonna go

You gotta shake your brains, figure it out

There's no need to scream or shout

You gotta work that thing you've got upstairs

You gotta activate what's under your hair

You gotta shake your brains

3 Green and Speckled Frogs

3 green and speckled frogs

(hold up 3 fingers)

Sat on a great big log

(set fingers on opposite arm)

Eating the most delicious bugs.

(pretend to put bugs in mouth)

Yum, Yum!

(rub your tummy)

One jumped into the pool

(make your hand jump off your arm)

Where it was nice and cool.

(wrap your arms and shiver)

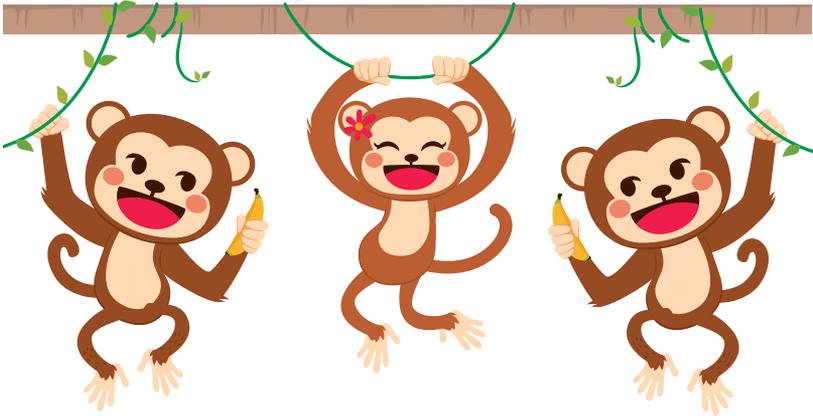

Now there are 2 green speckled frogs.

(hold up 2 fingers)

Glub, Glub!

(Repeat until there are no frogs left.)

3 Little Monkeys Swinging in a Tree

3 little monkeys swinging in a tree

(hold up 3 fingers and swing them back and forth)

Teasing mister alligator, can't catch me!

(Put your thumbs in your ears and wiggle fingers)

Along comes mister alligator, quiet as can be.

(Whispering, weaving your hand through the air like a creeping alligator).

And SNAPPED! (loud clap) that monkey right out of that tree.

(repeat until there are no more monkeys, then...)

No more monkeys swinging in the tree,

Teasing mister alligator, can't catch me!

Along comes mister alligator, quiet as can be...

... I'm full! (rubs tummy)

BURP!

(loud fake burp)

Excuse me!

(cover mouth with hand)
